Thank you for turning up during 2025. It is very much appreciated. 2025 has been a difficult year for anyone with car and it is not going to get an easier as we get into 2026, but you know that already. We will continue to review products and draw attention to things that other more mainstream motoring establishment figures choose to avoid. We remain free to read and free to think. We would love a sponsor though. Interested? See you next time...

Look what Free Car Mag got for Christmas!

FCM 151

Free Car Mag continues the fight for motoring freedom, sticking up for drivers and those who want the freedom to choose what to drive and when to drive it. There will be stories that can't be read anywhere else and that should be reason enough to come back for more.
