WHY BUYING A NEW CAR ISN'T FUN ANYMORE

Flyscreen Queen.co.uk
Keeping Bugs out of Britain's Homes

How long will you feel like this about your next new car?

It's a great feeling taking delivery of a new car. But how long it lasts will depend on the car. And the way it looks after you.

A Datsun is a car you can feel good about for a long time to come. A car that is tough and reliable. A car that will go on working perfectly month after month, the way it did when you first left the showroom.

That's because Datsuns are engineered to go on giving you trouble free, economical motoring year in, year out.

So you get the best of both worlds. A quality built car you can be proud of – yet with all the virtues of low cost economy motoring!

It's because we give such priority to quality and reliability that Datsun has grown to be the world's fourth largest manufacturer and Britain's leading car importer.

So the next time you're thinking of a new car, buy a Datsun.

It's a good way to make a great feeling last.

Datsun U.K. Limited, Datsun House, Worthing, Sussex. Tel: Worthing 204441.

Hat! The image you see on the cover isn't a just nod to Carry On's greatest leading lady. This advert was released in 1976 to promote the whole Datsun range. P plate buyers at the time probably did a similar little jig as the Cherry they had picked was comfortable, economical, reliable and astonishing value. That was '76, in 2026 there is no joy whatsoever involved in the new car business. It is ripping you off. See you next time...
